

SAVEMART Shoppers – Help!

If you shop at Save Mart and would like to help us raise library funds, request a SHARES card from the library. No special steps are necessary: you just present it when you check out. I have plenty and will send one home with your son or daughter or will mail one to you. Contact me at bwhiteley@washoe.k12.nv.us or 333-5050. No registration is necessary, so this is a very easy way to help us. Thank you.
